Minutes of the 49th Soaring Eagles Business Meeting

President Dave Pfaff called the meeting to order at or about 10:20 AM Sunday October 25, 2026.

The first order of business was election of officers. The present officers all offered to continue in their present positions.

Nominations for officers were solicited from the floor, and none being offered, the slate of candidates was elected unanimously as follows.

President: Dave Pfaff

First Vice President: John Nagy

Second Vice President: Steve Flom

Treasurer: Eric Litt

Secretary/Aerie Editor: Patti Nagy

Webmaster: Paul Sturpe

Treasurer Capt. Eric Litt passed out the treasurer's report for the year 2026 to date.

Discussion was held about the possibility of opening membership to other retired employees of USAir and/or retirees of American Airlines. This discussion was tabled in order to discuss a more important issue, which being what we should plan for our 50th Convention/Reunion.

The overwhelming consensus was that we should look into a cruise. Brian Lindsay and several others will be checking into what is available.

Also, a telephone tree is being set up, headed by Tammy Hansen. The purpose is to canvass the membership to see what would encourage more members to come to the Convention/Reunions.

There being no further business before the Membership, the meeting was adjourned at approximately 12:00 noon.
